## Excerpts from Parent/Student Handbook:

### Students Who Drive

Students will be allowed to drive to school; however, the car must be parked, vacated, and locked upon arrival. Students will not be allowed to go to their cars during the day unless a teacher or someone in authority gives permission. Students are to park in the southwest parking lot and walk into the building using the safe walkway.

Students who drive to school are to drive cautiously, especially in the school/church parking lot. Reckless or careless driving, “peeling out,” speeding, and improper parking will result in the following consequences:

- 1<sup>st</sup> offense: written warning with parental/guardian contact
- 2<sup>nd</sup> offense: \$25.00 fine and loss of driving/parking privileges for 1 week and parental/guardian contact
- 3<sup>rd</sup> offense: meet with administration/loss of driving privileges on school/church property for at least one (1) month and parental/guardian contact

Speed limit on school/church property is 10 mph.

### Rider Policy

No student may ride with another student without a **Rider Permission Form** on file for school events. All drivers must have a **Rider Permission Form** for **EACH** passenger.

### **\*\*\* STUDENT/DRIVER\*\*\***

I understand and agree that driving a vehicle to school is a privilege that may be revoked if I do not follow the guidelines stated in the Parent/Student Handbook (*and as shown above*), as well as any further guidelines set forth and communicated to me by GCS Administration. I also understand that I must enter the student parking area ONLY via the gravel road from the entrance on the North (Sonic) side of the building.
